

Diva SPA Party

Is your daughter growing up for the usual parties? Would you still like to throw her a party where you know she and her guests will enjoy? Then we have the perfect solution for you...surprise her with a S.P.A. Party!

Invite her closest friends and treat them to a luxury S.P.A. treatment such as facials, relaxing massage, manicures, pedicures or a chocolate treat package. We can also organize some finger food during the party.

Match their beauty fantasies!
